REGISTRATION INFORMATION FOR THE 2012-2013 SCHOOL YEAR

Beginning Monday, April 16, 2012, the Corpus Christi School office will accept registration for all students in grades PreK – 8 who will be studying at Corpus Christi School in the 2012-2013 school year. Families should forward the registration / materials fee, as outlined above, to the school office. This registration / materials fee isent, is your commitment to sending your child/children to Corpus Christi School next year. Along with this registration / materials fee, all families will be required to submit a 2012/2013 Family Tuition Agreement and a FACTS enrollment form. This is required whether your family chooses to pay tuition through an installment plan or pay tuition in full.

Option to Pay in Full

Tuitions paid in full are due to FACTS Management no later than 06/01/12. All families choosing to pay tuition in full should first pay their family's registration / materials fee to the Corpus Christi School office. With the submission of the materials fee, families will need to submit a FACTS enrollment form and their 2012/2013 Family Tuition Agreement. Once the school office receives the FACTS enrollment form, the office will complete its portion, and forward the FACTS form to the FACTS office to generate an invoice to the family. Payments of tuition should be made directly to FACTS. Checks should be made payable to *FACTS*. Any family who pays in full will receive a \$40.00 family discount. All families must either register with FACTS to pay tuition in full or via installments.

Option to Pay in Installments

All families choosing to pay tuition via an installment plan should first pay their family's registration / materials fee to the Corpus Christi School office. With the submission of the materials fee, families will need to submit a FACTS enrollment form and their 2012/2013 Family Tuition Agreement. Once the school receives the FACTS enrollment form, the school office will complete its portion, and forward the FACTS enrollment form to FACTS to set up a payment account. FACTS will allow ten (10) monthly payments beginning July, 2012 and ending April, 2013. Families may choose payments dates of the 1st or 15th of each month. All FACTS enrollment forms should be forwarded to the school office prior to the last day of school. You will receive a notice from FACTS once your account has been activated. All families must either register with FACTS to pay tuition in full or via installments.

Please note: For the 2012/2013 school year, Corpus Christi School is no longer using Tuition Management Systems (TMS) as the tuition management company. Instead, Corpus Christi School has partnered with FACTS for tuition collections. All accounts with TMS should be paid in full or be current.
